

BIO – SHIRIN S SEGRAN

Shirin S Segran was an avid reader since early childhood, Segran had written many short stories before embarking on 'AEGIS RISING', the first book in the Aegis League Series. Segran was only 15 at the time she wrote her first book.

In crafting the premise for the series, she drew from the inspiring imagery of the Pacific Northwest and her abiding love for visionary, adventure and science fiction stories. She enjoys drawing, horseback riding and is an ardent fan of parkour and skydiving.

Not only is Shirin an Author, she is also the founder of Aegis League (www.aegisleague.org), a non-profit organization whose goal is to support youth living in places and conditions that deny them opportunities to grow. The mission of the organization is to provide life-skills training and micro-loan funding to help them launch small businesses in the communities where they reside. Partial proceeds from the sale of the Aegis Series books go to this cause
